RE: Webber, Gerald  
REG. NO.: 31300-074  
DOCKET NO.: 3:05CR14

Dear Judge Varlan:

This is to advise you Gerald Webber has been designated to the general population of the Federal Medical Center (FMC), Lexington, Kentucky, a low security facility.

At the time of designation, we were aware of the Court's recommendation for his placement at a facility in Manchester, Kentucky. The Federal Correctional Institution (FCI), Manchester is a medium security facility and the Federal Prison Camp (FPC), Manchester is a minimum security facility. Mr. Webber is a low security inmate and is not appropriate for placement at the Manchester facilities. FMC Lexington can provide the programs and services required by this inmate during his period of incarceration, and is the closest appropriate facility to his residence of record, Lake City, Tennessee.

We appreciate the Court's recommendation and would be pleased to further discuss this matter should you desire. Please feel free to contact the Regional Correctional Programs Administrator at (301) 317-3140 or me directly at (301) 317-3105.

Sincerely,

K. M. White  
Regional Director
